

## Practice Log - Week 1

**FORMAL PRACTICE:** Do the Body Scan at least six times this week. Don't expect to feel anything in particular from this practice. In fact, give up all expectations about it. Just let your experience be your experience.

Record on this form each time you do the Body Scan. In the comment field, put just a few words to remind you of your impressions of that particular body scan: what came up, how it felt, what you noticed in terms of physical sensations, emotions, thoughts, etc. *It's important to write the comments immediately after the practice because it will be hard to reconstruct later.*

**INFORMAL PRACTICE:** Each day this week, see if you can bring mindful awareness to some otherwise routine activity. Before you go to bed each night, see if you can recall at least one example of "simple awareness" and record it on the Informal Practice Log (Simple Awareness).
